CUTTING AND SLASHING.-One day last week, at White Cloud, a cutting affray took place, in which James Mc Grew received several ugly slashes from a knife in the hands of John Cuckler. It seems that, since the ice wen partially out of the river, McGrew had been carrying pa sengers across in a skiff. Last week, the Ferry Compan directed Cockler, who was in their employ, to put in skiff, and order McGrew to quit. Cuckler did so, when McGrew threatened to put him under the ice, whereupo Cuckler commenced cutting at him with a knife, McGrew parrying his blows. He received a severe cut in the arm in the breast, which he thinks penetrated the bone.

a number of slashes through his clothing. The unds are supposed not to be dangerous.

ACCIDENT .- A son, aged three or four years, of Andree Tracy, a cabinet-maker of this place, but whose family re-sides at Wathem, met with a painful accident, a few days ago. An older brother had been permitted the dangerous practice of carrying a loaded pistel, which was in his cost the pistol in the pocket being discharged by striking against the bed or the wall. The ball passed entirely through the flesh of the boy's leg, and lodged in the other

ARRESTED.—Dakota papers give an account of the ar-rest of D. W. Allison, a mail route agent in that Territory, for robbing the mail. He purioined registered letters, containing money to the amount of some 8600. His tria will take place at the next term of the United States Dis trict Court. Capt. Allison was formerly employed at the Iowa Indian Agency, and afterwards was in business at White Cloud. Those familiar with his doings for the las few years, will not be greatly surprised at this latest pice

Horse THEY CAPTURED.—Some days ago, Sheriff Maqhen received intelligence that William Quine, formerly a resident of this County, had stelen horses near Savannah, Mo., and crossed over into Kansas. On Saturday evening the Sheriff received a dispatch stating that Quinn had been arrested at Robinson, Brown County. The Sheriff proceeded to that place, on Monday, took charge of the prishands of parties who were in pursuit of him.

A GOOD MECHANIC.-The finest and best workman in al kinds of Cabinet work, in the State of Kansas, is C. M. G. Dusendschon, of White Cloud. It not only equals the finest Eastern work in looks, but it is substantial and du nnest gastern work in sous, out it is suscential and du-rable. Dusendschon's fame is spreading, and he is receiv-ing orders for work from distant points. Anything in the way of tables, bureaus, deaks, wardrobes, book-cases, etc. he can get up in No. 1 style. Office, church or school fur niture will be promptly made to order.

F On Monday, two daily trains each way were put of the St. Joseph and Denver Railroad. The freight train leaves Elwood at 9 a. m., passing Troy at 19:05. The mail train leaves Elwood at 11 a. m., passing Troy at 11:65. From the west, the mail train passes Troy at 1:55 p. m., and the freight train, at 2:07.

The Nebraska Legislature made an excursion of the Atchisen and Nebraska and the Atchisen, Topeka and Sants Fe Railroads, on Priday, to Topeka, returning on Saturday. They visited the Kansas Legislature, gassed,

danced and stuffed, and—the people of Kansaa will pay 17 Some months ago, we mentioned the invention of a

combined holler and washing machine, by Thomas J. Wilkinson, residing near Highland. Mr. Wilkinson recently received a patent on his invention, and is now prepared to sell patent rights or single machines.

Templars at White Cloud. It is a good field for the work; and if they can reform some of the followers of whiskey in that vicinity, they will be doing a good work.

"Joel Tryall," who sends us a communication fre Highland, neglects to acquaint us with his real name. Our rule must be complied with, especially when communications are so personal as bis.

13" A Lodge of Good Templars was arganized at Iowa

There is no pain which the Centaur Links

relieve, he awalling it will not subdue, and no lamene which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marve walk, poisegons bites are rendered harmless and the wonnwhat it prefends to do. These who now suffer frees rheamatism, pala or awelling deserve to suffer if they will not use Contain Linkment More than 1000 certificates a tism, gout, running tumors, &c., have been received. We are informed, that in a lown in this County, dance was recently held to raise money to pay the preacher. How times have changed! Not many years ago, the Church taught its members that the Devil was in a fiddle. Even now, in the old McGuffey Fourth Reader, to be found in many families, may be read the frightful story of a young lady who died auddenly while dressed for a ball. Shall some of us live to see the day when Churches will

The Among the patrate issued from the National Pat-eut Office, for the week ending January 19th, was one to D. G. Garlock, of White Cloud, for a Harness-Maker's Gauge. Mr. Garlock is one of the best workness in the State, and has made a number of inventions to facilitat the bill; but we believe this is the first patent that he has

IF The Sheriff is now very heavily in the stock business. A man from Illinois, with a large number of teams, had rented a farm of half a section at White Cloud, and had come on to take possession. But three or four other men from Illinois followed close after, and have attached the horses and wagons for debt. The property is now in the custody of the Sheriff.

A change took place, this week, in the management of the City Hotel. Mayor Jeffs is now landlord, and thinks he can put fat on the ribs of his customers as well as build brick houses. Joe Nixon, who has just quitted the Hotel,

The last pier of the St. Joseph Bridge had been ded on bed rock, and it is expected that the bridge will

be completed in seventy days, or about the middle of May We were in error, last week, in saying that the County Board would be in session Monday. Wednesday was the day set, at the last adjournment.

John Sinclair still runs his fast line to the Junction He will take passengers to and from the trains so quickly that they will not have time to get cold. 17 One of the young bucks attending school, threw piece of iron at the teacher, the other day, and immediate

cashed. I will collect all kinds of Govern

A Word to Travellers! We have a word to say in favor of the Miss Railroad. It was the "pioneer" line Westward and is the "old reliable" route to St Louis. With the improvements which have been made during the past year, we believe ouri Pacific Railroad has the best track and the finest and safest equipment of any line west of the Missinsippi. It is the only line which runs three daily ex-Mississippi. It is the only line which runs three dualy ex-press trains of five Coaches and Pullman Sleepers, equip-ped with the Miller platform and the patent air brake, from leading points in the West, through Kansas City, Se dalia and Jefferson City to St. Louis without change, connecting at St. Louis with eleven different through routes to points North, East and South. Particular information with maps, time tables, &c., may be had at the various
